A. DEFINITIONS

As used in this Procedure:

1. "grievance" means, and shall be limited to, an alleged violation of an express Article or Section of this written Contract, except where such Article or Section is exempt from this Procedure;
2. "Superintendent" means the chief administrative officer of the School Corporation, or any person(s) designated by him to act in his behalf in dealing with school employees;
3. "grievant" means the teacher or teachers directly affected by the alleged violation making the claim;

2. The grievant may choose to be represented by the Association at all levels of the Procedure, limited, however, to a total of two (2) such representatives. Nothing contained herein shall be construed to prevent a teacher from presenting a grievance and having the grievance adjusted if the adjustment is not inconsistent with the terms of this Contract and the Association has been given the opportunity to be present at such adjustment.

3. There shall be no additional evidence, material, allegation, or remedy submitted by the grievant or his representative during the grievance process, once a formal grievance has been filed at Formal Level One, provided, however, that the Superintendent shall waive the restrictions on additional evidence or material stipulated herein upon request of the grievant provided that the Superintendent determines said additional evidence or material was either not known or not available to the grievant at the time said grievance was filed at Formal Level One.

C. PROCEDURE

The number of days indicated at each level should be considered as maximum. The time limits specified may, however, be extended by mutual agreement of the grievant and School Employer.

D. FORMAL GRIEVANCE

1. Level One

a. Within seven (7) days of the time the grievant first knew or should have known of the act or condition upon which it is based, the grievant shall file the grievance with the principal, or his designee, in writing, signed by the grievant, on the appropriate grievance form. The written grievance shall name the teacher involved, shall state the facts giving rise to the grievance, shall identify by specific reference all express Articles or Sections of this Contract alleged to be violated, shall state the contention of the grievant with respect to the provision(s) of said Articles or Sections, and shall indicate the specific relief requested. The grievant may be accompanied by a representative as provided herein, provided his principal is informed in advance of the grievant's desire to have representative present.

b. Within seven (7) days after receiving the written grievance, the principal, or his designee, shall communicate his answer in writing to the grievant.

2. Level Two

a. In the event that the grievance is not resolved at Level One, or if no written decision has been rendered within the time limit provided, the grievant may appeal the decision to Level Two provided said appeal is filed with the Superintendent within ten (10) days of receipt of the written answer at Level One, or within seventeen (17) days after presentation of the grievance at Level One if no written answer has been rendered. The appeal shall include a copy of all materials and evidence previously submitted and a copy, at the same time, shall be given to the principal involved.

b. The grievant shall submit the written claim, signed by him, to the Superintendent. Within ten (10) days from the receipt of the grievance the Superintendent shall render a written decision to the grievant as to the resolution of the grievance. The Superintendent shall hold a meeting with the grievant prior to the rendering of the written decision, and an additional fourteen (14) days beyond the ten (10) days shall be allowed if the Superintendent determines further investigation is necessary.

3. All necessary forms for grievance procedures set forth in this Procedure shall be provided by the Superintendent.

4. Any grievance not filed within the time limit specified in Level One shall not be processed.

5. Failure at any level of this Procedure to render the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next level, unless said time limits are extended by mutual consent of both parties. However, the grievance must be appealed by the grievant to the next level within the specified time limit for that level or said grievance shall be deemed resolved by the School Employer's answer at the previous level and abandoned.

6. Any hearing at the Informal Level and at Formal Level One, Level Two and Level Three shall be held during nonteaching hours unless otherwise directed by the School Employer.

7. No teacher shall use this Procedure to appeal any decision by the School Employer or administration for which there is another remedial procedure or forum established by law or by regulation having the force of law.

8. No teacher shall use this Procedure to appeal any decision by the School Employer or administration if such decision is applicable to a State or Federal Regulatory Commission or Agency.

9. Teachers shall follow all written and oral directives of the School Employer, even if such directives are allegedly in conflict with this Contract. Compliance with such directives will not in any way prejudice the teacher's right to file a grievance within the time limits herein, nor shall compliance affect the ultimate resolution of the grievance.

10. Any grievance which arose prior to the effective date of this Contract shall not be processed.

11. This Procedure supersedes and cancels all previous grievance policies or procedures, oral or written or based on alleged past practices or procedures, and constitutes the entire procedure for the processing of grievances.
