Dear Mitchell School Family,

Thank you for your continued support through this unprecedented time. The safety and security of our students and staff are always most important to us. Today, March 19, 2020, we were notified by Indiana Governor Eric Holcomb that all Indiana School Corporations will be closed through Friday, May 1, 2020. MCS will continue to utilize eLearning Days through May 1, 2020. All activities will continue to be postponed through and including May 1, 2020. We will continue to work with the Lawrence County Health Department and the Indiana Department of Education. All updated information will be available on our corporation website. Information will be organized regarding Academic Plans, meal availability, tech support, Special Education Services, and self-care information.

Food pickup for our students will be available at advertised times each week, with the exception of March 23-27, Spring Break. Food pickup will be at the MHS front entrance. Families must inform the schools by 10:00 a.m. Monday, March 30. Those participating must complete the link provided on the school website so we can adequately prepare. Food will be available for pickup on Tuesdays from 10:00 a.m. - Noon March 31 through April 28, 2020. Food bundles will be packed generously.

Please visit the corporation website www.mitchell.k12.in.us for accurate and detailed information.

Thank you for your continued support,

Loyal to the Royal,

Dr. Mike Wilcox
