Welcome to MHS - Your School

I would like to extend a cordial welcome to those students returning for another year and welcome our incoming freshmen and other new students. It is my desire that everyone begin the year with a positive attitude. It takes everyone - students, parents, and staff - to make the year successful.

The school will provide you with many opportunities. It is up to you as to what level of success you will obtain. Keep in mind that it is not enough to just want success; one must be willing to devote the time and energy necessary to achieve it.

This handbook has been designed to assist students and parents in becoming fully acquainted with the rules, regulations, and policies of Mitchell High School. Should either a student or parent have questions that are not answered by this handbook, please contact our office.

Have a good year.

Principal*

Assistant Principal*

Up to the ninth school day a note or phone call from a parent/guardian will excuse a student's absence from classes. Beginning on the ninth school day, however, and lasting through the rest of the semester, a student will be excused only with a doctor's statement or parent conference. A student who misses nine school days or more in a class without a doctor's statement or a parent conference could be withdrawn and lose credit for the semester.

Suspension days shall not count toward the eight-day limit.

1. Parents/guardians will be notified in writing on the fourth absence and will be invited in for a conference. Parents/guardians will be notified on the eighth day.
2. Every absence must be explained by submitting a note from parent/guardian, doctor, dentist, or legal counsel to the assistant principal immediately upon the student's return to school. If a student brings a doctor's statement, the absence will not count on his or her eight days.
3. Students will not be allowed to submit doctor's statements for previous absences to avoid accumulating eight days absence. A student should present the doctor's statement on the first day of his or her return to school.
4. With prior approval by the assistant principal, school-sponsored athletic trips, a limit of two college and technical institute visitation days, job interviews, and family vacations will be conditional absences and not counted as one of the eight days. The student must turn in to the office a completed *Conditional Absence* form at least one full school day before the absence. Parents/guardians will discuss with the assistant principal at least one week prior to departure the details of the conditional absence. Conditional absences will not be granted to students with poor school attendance.

6. A perfect attendance certificate will be issued if a student does not miss *any* regular school time during the school year.
7. A student who is absent from afternoon classes (periods 5, 6, and 7) will not be eligible to participate in extra-curricular activities that evening. Any exception (doctor's appointments, etc.) must have prior approval of the high school administration.

8. Election campaign worker - prior arrangements with the assistant principal are necessary.
9. Active duty with the Indiana National Guard not to exceed ten (10) days in a school year.
10. Upon receipt of a court subpoena shown to school administrators.
11. Being a member of the State Standards Task Force.
12. Realizing that there are always exceptions to every established policy, all cases of absence will be considered upon their individual merit. We have established the above policies and excused absences to give our students guidelines so they and their parents will know what to expect as an attendance policy for our school.

Unexcused Absences

Any absences not excused will be penalized with the student not receiving credit for the classes missed. Repeated unexcused absences will result in in-school detention, or other discipline deemed necessary by principal or assistant principal. No credit will be given for work made up during an unexcused absence.

Admission Procedure to Explain an Absence

One of the following procedures must be followed:

1. Have a written statement from a licensed physician, dentist, etc. stating reasons for reasons for the student’s absence.
2. Have a statement in written form from parent/guardian, doctor, dentist, or legal counsel. This statement must be submitted to the assistant principal when the student returns to school.
3. On the day of the student’s return, have the parent/guardian call the assistant principal to set up a conference.
4. Parent or guardian may call school on day of absence to report reason for absence. If it is for doctor’s appointment, a doctor’s note still needs to be submitted to office.

Verification of Student Absences

The assistant principal, or designee will make a reasonable effort to verify a student's unexplained absence from school during any part of the day, if any of the following conditions apply:

1. The student or the student's parent or guardian had not made prior arrangements for the student to be absent during the time not in attendance.
2. No other known reason exists for the student to be absent, i.e., late bus arrival, approved late arrival.

When the above conditions apply, the assistant principal or designee will attempt to contact the student's parent or guardian by telephone at a daytime number and state why the contact is being made.

Tardiness

In an effort to develop the habit of punctuality so necessary for mature development, students should be helped to see the importance of the responsibility for promptness.

1. Students tardy for first (1st) period will report to the office for a tardy slip. On the third tardy per semester, the student will receive detention. Excessive tardies to 1st period (above 3 per semester) will result in additional disciplinary action and may include the following:
 1. Detention
 2. In-school detention
 3. SuspensionAny amount of time under 25 minutes will be termed a tardy. Over 25 minutes will be an unexcused absence.
2. Tardies to class the 2nd, 3rd, 4th, 5th, 6th, and 7th periods will be handled at the discretion of the teacher. The second tardy may result in an assigned detention. Students will be responsible to get to class on time.

Family Vacations

Students/parents are encouraged to take vacations during vacation time. If it is necessary for a student to miss school due to a vacation, the following procedure should be observed.

1. Parent/guardian will discuss with the assistant principal prior to departure the details of the vacation.
2. Students will make up all work prior to leaving or within two days after returning. This decision will be at the teacher's discretion.
3. Students must complete a *Conditional Absence Form*
4. If the student follows the above procedures, the days missed on a family vacation will not count towards the eight-day limit.

Emergency Procedures for Evacuating Building

Fire Drill and Tornado Drill instructions are posted in each room of the building and must be followed. Each drill shall be treated as if it were an actual emergency situation which potentially is a life-and-death matter. Although speed is important in any such procedure, of greater importance is orderliness and the ability of all students to be given directions and proceed in an organized manner.

Notification of Rights under FERPA

The family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. These rights are as follows:

1. The right to inspect and review the student’s education records within 45 days of the day the school receives a request for access. Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA. Parents or eligible students who wish to ask the school to amend a record should write the school principal (or appropriate school official) to clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member, (including health or medical staff and law enforcement unit personnel); a person serving on the school board; a person or company with whom the school has contracted as its agent to provide a service instead of using its own employees or officials (such as an attorney, auditor, medical consultant, or therapist); or parent or student serving on an official committee, such as disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school district to comply with the requirements of FERPA. You may contact the office that administers FERPA at the following address:

Mitchell Community Schools has developed and adopted policies in consultation with parents regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. Division of Child Services

The Division of Child Services (DCS) periodically interviews students in the Mitchell Community Schools System. In cooperation with the DCS, Mitchell Community Schools will allow DCS to interview students without a court order. The DCS will determine whether or not the parent or guardian of a student will be invited prior to the interview.

Self-Administered Medication

No student shall be allowed to keep medicine at school unless the student has received written authorization by the principal to possess and self-administer medication for a chronic disease or medical condition. For a student to be able to possess and self-administer medication while on school grounds or off school grounds at a school activity or function, the parent (guardian) must file an annual authorization with the principal. The written authorization must include the following:

1. A physician's statement affirming:
 - a. The student has an acute or chronic disease or medical condition for which the physician has prescribed medication;
 - b. The student has been instructed in how to self-administer the medication;
 - c. The nature of the disease or medical condition requiring emergency administration of the medication.

The written authorization must be filled with the principals annually.

Administration of Student Medication

Medication shall be administered to a student of Mitchell Community Schools only with the written and dated consent of the student's parent (guardian). The consent of the parent shall be valid only for the period in the parent's written consent and in no case longer than the current school year. All nonprescription medicine to be administered to a student must be accompanied by a statement describing the medicine, the dosage, and the time for it to be administered to the student. All prescription medicine, including injectable medicine, and all blood glucose tests by finger prick to be administered to student must be accompanied by a physician's order, a copy of the original prescription, or the pharmacy label. If the medication is to be terminated prior to the date on the prescription, the written and dated withdrawal of consent of the parent (guardian) and the written order of the physician shall be kept on file in the school the student attends.

Any medicine to be administered to a student shall be brought to the principal's office in its original container where it will be kept in a secure place. All prescription medication classified as a scheduled drug-controlled substance I-IV must be brought to the building office directly by the parent (guardian). These medications are not to be transported to or from school by the student. Medicine

shall be administered in accordance with the parent's written statement in the case of non-prescription medicine or the physician's order in the case of prescription medicine only by the school nurse or other employee(s) designated in writing by the principal. Nonprescription medicine must be age specific. All administration of medicine shall be documented in writing. Any designated employee who is responsible for administering injectable medicine or a blood glucose test by finger prick shall receive proper training from a practitioner or a registered nurse and such training shall be documented in writing by the practitioner or registered nurse, and kept on file in the principal's office. Since herbal supplements are not monitored by the FDA, the Mitchell Community Schools nurse will not be permitted to give herbal supplements at school.

Some medication guidelines are as follows:

1. Over-the-counter medications not normally recommend for children (aspirin-containing products such as Pepto-Bismol and Excedrin Migraine) must be accompanied by a physician's order.

3. All student medication to be administered at school in grades 9-12 may be brought to school by the parent/guardian, a designee who is at least 18 years of age, or by the student with the parent/guardian's written permission.
4. Medication should not be sent to school with a student on a school bus.
5. Any changes in dosage must be accompanied by a new physician's order or new pharmacy label/container and with parent/guardian consent.

Speech/Language Services

Hearing

Indiana state law requires that each school year students in grades 1, 4, 7 and 10 receive a hearing screening. At Mitchell, we included kindergarten students during Kindergarten Round-Up. In addition, students new to the school system, students enrolled in Special Education other than homebound, students identified as having a hearing problem in previous years, and students referred for testing by a teacher or parents are also given a hearing screening each year. Students who do not pass the hearing screening are screened a second time within two weeks. Any student who does not pass the second screening is given a free hearing threshold test. A threshold test consists of identification of the decibel level at which the student responds across several sound frequencies. The results and recommendations are sent home to parents.

All students who miss the original hearing screening day will be screened within 60 school days.

No student shall be required to take a hearing screening if written objection by a parent or legal guardian is submitted to the school speech-language pathologist prior to testing. A signed note should be sent to the school within 14 days of enrollment to decline the screening.

Speech/Language

Students enrolled in the speech and language program may exhibit difficulties in one or more of the following communication areas: articulation, language, fluency, voice, and/or hearing. Free services are provided to reduce the effect of a communication disorder on a child's academic performance.

Students in kindergarten and second grade, as well as newly enrolled students, are routinely screened for speech difficulties. However, students displaying difficulties in one of the above communication areas may also be referred for a speech/language or hearing evaluation. Referrals may be made by teachers and parents/guardians.

Vision Screenings

Indiana State Law requires that each school year students in grades 1, 3, and 8 receive a vision screening. At Mitchell, we also include students in grade 5 and students in other grades who are suspected of having visual problems. Those students are most often referred for testing by teachers or parents.

Students that are referred for visual testing that are not in grades 1, 3, 5, or 8 will have a permission slip sent home to inform the parent of the intent to test.

No student shall be required to take a vision screening if a written objection by the parent or legal guardian is submitted to the school nurse prior to testing. A signed letter should be sent within 14 days of enrollment to decline the screening.

You may contact the Mitchell speech-language pathologists with a phone call, written note, or e-mail if you have any questions regarding your child's speech, language, and/or hearing.

Public Address Announcements

Notice of club meetings, athletic and social events, general information and specific instructions will be read to each class at the start of period one and the beginning of period seven. The announcements must be submitted to the office and approved by the Principal or Assistant Principal by 8:00 a.m. and/or 2:25 p.m.

Vocational School

The conduct of all students must be that the safety and rights of fellow passengers are in no way jeopardized by the actions of anyone. School authorities will deny the privilege of attending vocational school to any students who refuse to conduct themselves in an appropriate manner.
2. Using private transportation to and from vocational school as a driver or passenger shall be allowed only with prior signed permission from parents or guardian and the approval of the MHS administration. Using private transportation without this authorization may lead to suspension from school.
3. Morning North Lawrence Career Center students upon returning to MHS must go directly into the building and remain in the designated areas at *all* times (to be determined).
4. Prior to leaving for vocational school, afternoon vocational students must leave school grounds (including parking lot) for lunch, or eat and remain in the designated area at *all* times (to be determined).
5. A vocational student suspended from MHS will also be suspended from the vocational school that same day.

Mitchell Community Schools
Insurance Policy for Devices
(Student Chromebook/iPad)

Each student of Mitchell Community Schools (MCS) will be issued a device (Chromebook or iPad) as part of his/her textbook rental for the school year. It is our expectation that the student will be responsible for the care and protection of this electronic tool.

MCS has chosen to offer an insurance policy for the accidental damage of this device. Prior to a student receiving his/her Chromebook or iPad device, MCS must receive this form filled out and signed by the student’s legal parent/guardian along with the insurance fee or designation of the insurance waiver checked below. The costs are outlined below. Claims and deductibles are applied to individual students and not to families. After the third claim, the student is liable for the full repair or replacement cost of the device.

If a student withdraws from MCS and then re-enrolls later in the current school year, the coverage purchased at the student’s initial registration will be reinstated along with the number of claims made prior to withdrawal. The insurance will be active from the time it is paid and the device issued until either the device is officially remitted to school officials at the end of enrollment or the end of the school year whichever comes first.

Annual Premium Due at Registration per Family	Deductible Claim #1	Deductible Claim #2	Deductible Claim #3	Damage After Claim #3
\$20 per student	\$25	\$50	\$100	Full replacement cost (\$245) or repair cost
<i>Please note: If you: insured your device in 2018-2019, did not make a claim in 2018-2019, and wish to continue coverage in 2019-2020 the Premium to continue insurance is \$5 per device</i>	\$25	\$50	\$100	Full replacement cost (\$245) or repair cost

The Chromebook or iPad device or any of its accessories that are lost (whereabouts unknown) or intentionally damaged is the responsibility of the student and parent involved in the loss of property. The user may not be given another device or accessory to use until the replacement cost of the lost/damaged device or accessory is paid to the school.

Events that may not be covered by this policy include, but are not limited to: lost device, theft, damage due to negligent or malicious actions of the student such as transporting outside of protective case, food and drink around the device, or exposure to extreme heat or cold (left in the car).

Events that may be considered accidental damage by this policy include, but are not limited to: events at home that result in property damage caused by wind, fire, and water, events where a device is in a car that is involved in an accident, events that may be created by parents, siblings, or classmates which result in damage to the unit (the other party may be held responsible for damages depending on the evidence), other events as determined by the Technology Coordinator or school administration.

This policy will pay to repair or replace the unit as a result of accidental damage. Current homeowner insurance or auto insurance policies will be the first insurer when applicable. This policy may be used to cover costs beyond the scope of these insurance policies including deductibles that apply to those policies.

This policy is optional and may be refused by the parent/guardian. Students who agree to purchase this policy also agree to keep the unit in the protective case when not in use and/or transporting.

Mitchell Community Schools participates in the National School Lunch Program and the School Breakfast Program. Well balanced, nutritional meals are provided daily. Current meal prices will be announced at the beginning of the school year. Through Harmony, each student will have a food service account that follows them throughout their MCS career. Your child's school can provide you with the log on information.

Free/Reduced priced meals: Unless notified each school year in writing from the Food Services Director (FSD) that your student is directly certified for free meals, each household requesting benefits must fill out an application each school year. Parents may apply for free or reduced price meals at any time during the school year. Parents may apply online through Harmony or apply with a paper form, which is available at each school office. The Food Service Director is available to assist households in filling out these applications. All students eligible for free or reduced price lunches also qualify for free or reduced priced breakfasts, which are served at 8 a.m. daily in the cafeteria.

Cafeteria Payments: Parents may: 1. Pay online: Make an online payment to your child's account using your credit or debit card through Harmony. Small fees are associated with online payments. (These funds are processed off site and take approximately 10-14 hours before funds are available in the child's account.) 2. Pay in person: You may stop in the cafeteria or school office between 8 a.m. and 2 p.m., Monday through Friday, to pay by cash or check. You also have the option of sending cash or a check to school with your child. Please include your child's name and student ID number when sending a payment. 3. The student will then take the *Field Trip Form* home and explain the trip to the parent/guardian who must sign the form.

Scholastic “M”

A student will receive the *Scholastic “M”* award the first time his/her grade point average for the school year is at least 3.700. The student must be enrolled in sufficient courses to total five credits and have no “C’s” on his/her report card (excluding semester exams). The third nine-week grading period of the school year will be the final grading period considered in awarding a Scholastic “M”.

Honor Certificate

At the annual *Honor Night* program an *Honor Certificate* will be awarded to students who are on the Honor Roll list each nine weeks and semester of the school year.

Grade Cards

Grade cards are usually issued on the Friday following the end of each grading period. The following comments describe, in general, the grading system:

Grading Scale

Grade	Standard	Weighted	Grading Scale
A	4.0	5.0	93-100
A-	3.7	4.7	90-92
B+	3.3	4.3	87-89
B	3.0	4.0	83-86
B-	2.7	3.7	80-82
C+	2.3	3.3	77-79

D	1.0	2.0	63-66
D-	.7	1.7	60-62
F	0.0	0.0	59 or below

Midterm reports will usually be issued on the Friday of the fifth week of each nine-week grading period. Each student will receive for each subject an informal evaluation of the progress being made.

Weighted Grading System

All courses taken during the regular school year for credit will be used in computing a student's grade point average and class rank. The grade point average will be used to rank students whose grade point average does not exceed 4.0. For the class of 2020, any student whose grade point average is above 4.0 will then be ranked according to his/her total accumulated grade points.

Only courses taken during the regular school year from accredited institutions will be calculated for academic top ten honors. In the event a student transfers from another school with more credits earned than could have been earned by a student attending Mitchell High School by comparable semesters, the principal shall make determinations that will equalize credits for fairness purposes.

For the class of 2020, to be considered for academic top ten honors, a student must earn an academic honors diploma. In addition, a student must attend Mitchell High School for the entire second semester of his/her junior year and both semesters of his/her senior year.

Homework

Mitchell Community Schools desires to encourage the use of effective homework assignments to promote learning through extending classroom instruction, providing students with opportunities to exercise self-discipline, to provide parents with opportunities to see the type of class work expected of their student; and to assist their students to become better scholars.

Homework is an out-of-class assignment which is expected to be a properly planned activity designed to enhance the student's understanding of a particular subject and which is appropriate to the needs of the student. Homework should never be merely "busy work" or a form of punishment. Rather, Mitchell Community Schools expects it to be an important part of classroom activities which motivates students and promotes their learning.

STUDENTS are expected to take advantage of the educational opportunities afforded by homework by completing all work requested on time and by making-up missed work following an illness or excused absence. The student is expected to become more independent as he/she matures and to assume increasing responsibility for completing homework properly as he/she advances through school. *PARENTS* are expected to be supportive of and cooperative with reasonable, meaningful homework assignments. They are expected to show interest in and display helpful attitudes towards homework. In addition parents are expected to provide a quiet, well lighted place for their student to study; to promote good study habits; to encourage their student's efforts; to encourage their student to ask questions of the teachers when in doubt about an assignment; and to assist students when necessary, but to refrain from defeating the purpose of assigning homework by doing the assignment for the student.

Make-Up Work

Students who are absent for any reason are required to make up work missed in each class. In general, one day will be allowed to make up work for each day absent. A day's absence does not excuse a student from responsibility for all discussion work on the day of his/her return. Grades will be marked as incomplete at the end of a grading period and will lead to failure if not completed within the allotted time. It is the student's responsibility to obtain all make-up work from his instructors immediately upon returning to school, regardless of reason for absence. In case of extended illness, assignments should be requested through the office. Please allow 24 hours for this material to be compiled.
